

ADVANCE QUESTIONS TO COSTA RICA (SECOND BATCH)

SLOVENIA

- We commend Costa Rica's progress in ensuring equality and preventing discrimination on the grounds of sexual orientation. We would be interested to know whether the Government is considering any revisions of its legislation which currently aims to normalize intersex bodies through harmful and painful medical practices which include non-consensual surgeries.

GERMANY

- What measures are being taken to implement Indigenous Law 6172? What steps is Costa Rica taking to ensure indigenous people's land rights?
- What is the status on the pending indigenous autonomy bill now pending for almost 25 years?
- What measures are being taken to reduce the high rates of domestic violence and femicide?
- Does the government of Costa Rica intend to legalize abortion in cases of rape, incest or health hazards to the mother? What steps are being taken to prevent and sanction cases of obstetric violence against women?
