

## **ADVANCE QUESTIONS TO HUNGARY – third batch**

### **AFGHANISTAN**

- As there is concern regarding the existence of discrimination against asylum seekers based on their method of arrival, country of origin and nationality in terms of laws, policies or practices in Hungary. Do you ensure to remove such practices in case of their existence?
- Is there any specific agenda within the Government of Hungary to adopt a hate crime investigative protocol ensuring that victims of hate crimes have effective access to mechanisms of justice and redress?
