

ADVANCE QUESTIONS TO THAILAND

DENMARK

- What measures is the Government taking in order to safeguard freedom of expression for the public, including freedom of the media in print as well as broadcast and digital?
- Which plans does the Government have in order to continuously safeguard the rights of refugees and asylum seekers and do such plans include signing the UN Convention on the Status of Refugees?
- What are the plans of the Government to eliminate ill-treatment during detention and to ensure that possible cases of torture being used to falsely extract confessions from detainees, e.g. in Thailand's southernmost provinces, are being thoroughly and impartially investigated without unacceptable risk to those reporting it?
