

### **ADVANCE QUESTIONS TO SLOVAKIA-ADD 3**

#### **SLOVENIA**

- We would like to ask Slovakia about the measures taken to set up a coherent national mechanism that would ensure a better and more efficient identification and referral of victims of trafficking in human beings?
- What further steps are envisaged to fight discrimination of LGBTI persons in society at large?

#### **SWEDEN**

- How is Slovakia working with giving Roma children the same possibilities to education as other children?
- The land property issue is problematic when it comes to Roma settlements. Which would be the best way, both in terms of giving the Roma the best possibilities and creating something sustainable, to solve this?

#### **SPAIN**

- Has the government of Slovakia considered the possibility of reinforcing the measures adopted in order to tackle the problem of slowness of justice particularly on cases related to racial discrimination?
