

## **ADVANCE QUESTIONS TO SLOVENIA – ADD.1**

### **CZECH REPUBLIC**

- What measures does the Government envisage to implement the Council of Europe-GRETA recommendation to invest in the human and financial resources of the secretariat of the Working Group and the National Co-ordinator dealing with trafficking in human beings so that they can effectively carry out the full range of tasks within their mandate?
- Does the Government envisage any further measures to facilitate the access of the so-called “erased” to permanent residency and citizenship?
