

## ADVANCE QUESTIONS TO SLOVENIA – ADD.2

### **SPAIN**

- Will the government of Slovenia modify the current prohibition that does not allow MSM (“men who have sex with men”) to donate blood? / ¿Planea el gobierno de Eslovenia modificar la actual prohibición que no permite a los MSM (en inglés, hombres que mantienen relaciones sexuales con hombres) donar sangre?
- What requirements must the “erased” people have to meet in order to be compensated? / ¿Con qué requisitos han de cumplir las personas “fuera de la ley” para obtener compensaciones?

### **UNITED KINGDOM**

- Notwithstanding the compensation scheme that Slovenia has recently put in place, what additional measures is Slovenia taking to restore the rights of those people rendered stateless as a result of the 1992 Erasure?
- Can you provide details of what Slovenia is doing to improve the living conditions of Roma people?
- What measures does Slovenia have in place to prevent the exploitation of trafficked workers?
