

## **ADVANCE QUESTIONS TO GUINEA-BISSAU – Add.1**

### **SPAIN**

- Is the Government considering to develop a research on child kidnapping and internal trafficking of minors, as recommended by the Concluding observations of the Committee on the Rights of the Child?
- Has the government foreseen to decriminalize homosexual relationships?
- Would it be possible to know any public measure on guaranteeing the access to drinking water and sanitation in the rural areas in order to avoid recurring outbreaks as cholera?
