

ADVANCE QUESTIONS TO AUSTRIA – ADD.2

CZECH REPUBLIC

- How does the Government ensure independent and effective investigation and prosecution in cases of alleged human rights violations by law-enforcement officials? Could you provide details on the number of cases of prosecution and conviction of law enforcement officials for human rights violations since the last UPR?
- What safeguards are envisaged to ensure compliance of the draft State Protection Act with international human rights law, in particular with regard to the right to privacy?
- How does the Government evaluate the implementation of the existing anti-discrimination laws? Does it plan their further revision and strengthening?
- Could you elaborate on the ongoing process of preparation of the National Human Rights Action Plan?
