

## **ADVANCE QUESTIONS TO SAINT LUCIA – ADD.2**

### **SPAIN**

- In the framework of the process of constitutional reform currently in process in St. Lucia, what reforms has the government planned to further guarantee the principle of equality between men and women?
- In the same context, does the government intend to encourage reforms in order to avoid discrimination on grounds of sexual orientation?
- Is the government considering launching any specific mechanism in order to investigate and remedy cases of abuses by the police forces?
