

**ADVANCE QUESTIONS TO SEYCHELLES**  
**SECOND BATCH**

**MEXICO**

- Could you elaborate on the achievements of the National Commission for Child Protection with regards to the improvement of the system of protection of children and adolescents? Could you share information on the current state of the Education Act reform and its possible explicit prohibition of corporal punishment?
  
- What laws, campaigns or policies have been enacted since the last cycle to eliminate gender inequalities in access to opportunities and remuneration for men and women? Has a gender perspective been incorporated into other national development plans? Could you share information on the process towards the adoption of the National Gender Policy and Plan of Action?
