Dear Ambassador / Permanent Resident

RE: United Nations Human Rights Council Universal Periodic Review

Please find attached a copy of our recent letter to the Chief Secretary in the Department of the Prime Minister.

The letter outlines our intention to engage in the upcoming Universal Periodic Review process.

In particular we intend to use the review to highlight the serious human rights implications of the ongoing Special Agriculture Business Lease land grab and associated illegal logging and the moves towards experimental seabed mining.

Yours faithfully

A handwritten signature in blue ink, appearing to read "Effrey Dademo".

Effrey Dademo
Program Manager

enc Letter to the Chief Secretary dated April 1, 2015

So everyone has access to decent government services, our environment is protected and resources are shared equally.
