

**ADVANCE QUESTIONS TO THE UNITED REPUBLIC OF TANZANIA – second
batch**

MEXICO

- How are the rights of persons with disabilities promoted and implemented in Tanzania? What measures and laws have been adopted in this regard since Tanzania's first UPR?
- Is Tanzania considering to adopt a national program against human trafficking focused on women and children? If so, could you share information on the current state of this initiative?
- What measures have been taken, or are been taken to promote a legal framework to provide legal certitude with regard to property and land ownership to indigenous people, pastoralists, farmers and hunters?
- Is Tanzania considering to criminalize domestic violence?
