

ADVANCE QUESTIONS TO LITHUANIA

3RD BATCH

NORWAY

- How is the government of Lithuania working to prevent and combat hate speech and discrimination against minorities, such as LGBTI* community?
- Which further steps are planned in order to strengthen cooperation with civil society on human rights issues?
- How has the Lithuanian government promoted and advanced social and economic inclusion of physically and mentally disabled people?
- How can the current legislative and institutional set-up be improved in order to fight domestic and gender-based violence, including violence against children?
- The European Commission against Racism and Intolerance (ECRI) voice concerns regarding the situation of the Roma minority's access to health care, poor housing conditions and the low percentage of children in pre-school. What steps will the Lithuanian government take to address this?
