

ADVANCE QUESTIONS TO SOUTH SUDAN

4TH BATCH

SPAIN

- Has the Government foreseen any measure or strategy to ensure humanitarian aid for people in need? If so, which one(s)? If not, is the Government willing to do so in the short time?
- What are the measures that the Government is planning to adopt in order to provide health care to the population?
- Is the Government planning any measure to protect victims of violence, including sexual violence? If so, what do these measures consist of?
