

ADVANCE QUESTIONS TO TOGO

3rd BATCH

SPAIN

- Given that Togo has accepted in the last UPR in 2011 the recommendation of adopting new national legislation on persons with disabilities, when is it foreseen that the bill for protection of persons with disabilities will be approved in order to fulfil Togo's international obligations?
- Regarding the National Policy on Protection of the Child, when is it estimated that it will be approved by the Togolese authorities? And, when is the government planning to establish the National Committee for Protection of Children?
