Educational Human Rights House in Chernihiv is the coalition of seven rights protection organizations from throughout Ukraine. The founders of the House are seven NGOs.

The main goal of the Union is to enhance the educational component of the human rights movement and improvement of the access to public education in human rights field, legal aid, support for business partners and the members of the Union, including other human rights NGOs.

The Union owns a large educational center, on the basis of which regularly occur schools nationwide and international human rights and civic activity. The Union also acts as a resource center and baseline venue for seminars on human rights in part of the National Educational Program Understanding Human Rights.
