

ADVANCE QUESTIONS TO BOTSWANA (SECOND BATCH)

SLOVENIA

- We would like to ask the delegation of Botswana about specific measures that have been taken in view of ratification of the Optional Protocol to the Convention on the Rights of the Child on Sale of Children and Children Prostitution in 2003?
- We would like to ask the delegation of Botswana about planned measures to combat discrimination of marginalised and disadvantaged groups in the society?

PORTUGAL

- Could the State-under-review describe its national mechanism or process responsible for coordinating the implementation of accepted UPR recommendations and the monitoring of progress and impact?
- Has the State-under-review established a dedicated ‘national mechanism for implementation, reporting and follow-up’ (NMIRF) covering UPR recommendations, but also recommendations/observations generated by the UN human rights Treaty Bodies, the Special Procedures and relevant regional mechanisms? If so, could the State-under-review briefly share its experience on creating such mechanism, including challenges faced and lessons learnt, as well as any plans or needs to strengthen the NMIRF in the future?
