

ADVANCE QUESTIONS TO MONTENEGRO (THIRD BATCH)

BRAZIL

- What measures has your country taken to protect and promote the rights of LGBT persons?
- Could you provide details on how Montenegro is ensuring accountability and redress for war crimes?

SPAIN

- Which obstacles has Montenegro identified in order to ensure universal access to birth registration, particularly of children who are born out of hospital and/or other health institutions?
- When does Montenegro Government intend to ratify the Kampala Amendments to the Rome Statute?
- The Committee on the Rights of Persons with Disabilities has noted lack of information about adequate standard of living and social protection of the persons with disabilities. Is the Government of Montenegro planning to open new centers for persons with disabilities? Is there any specific programs regarding inclusive education?
