**To the Honourable:
Mrs. Manwa al-Qunbar
I.D. number xxxxxxxxx
Jabal Mukaber, Jerusalem**

Subject: Notification about the Intention to Act in accordance with Article 11 (A) of the Law of Entry to Israel of 1952 (year 5712 in the Hebrew Calendar)

I hereby inform you that, based on the directive of the Minister of Interior, we are currently considering the possibility of canceling your Permanent Residence permit in Israel based on my authority mentioned in Article 11(A) of the Law of Entry to Israel of 1952 (5712).

This article clearly states that:

- “The Minister of the Interior may at his discretion
(1)...
(2) cancel any permit of residence under this Law.”**

Following the severe attack which was carried out two days ago in the Armon Ha-Natsiv neighbourhood in Jerusalem, which led to the killing of four Israeli citizens, a discussion was held with some security officials at the Minister of Interior’s office. During this discussion, there was the presentation of some data from your personal file at the Population Authority. This data indicated that you received your Israeli Resident status from your marriage. However, despite that you declared that this marriage was not a bigamous one, in reality there was the practice of a bigamous marriage.

In light of the above, and since that status was given to you based on some false statements that contradicted the existing [public] policy while such status cannot be given based on a bigamous marriage, we are currently considering the possibility of revoking your residence status.

Before a decision is made regarding this matter, you have the right to bring before the Population Authority every kind of plea that you have at hand in order to present them during the hearing which will take place at the Population Authority’s bureau in East Jerusalem, Wadi Al-Joz road, tomorrow at 09:00 a.m.

After this meeting, a decision will be taken regarding this matter while taking into consideration your stated claims.

**Respectfully,
Hagit Tsur, Head of Bureau
