**Israel's Third Universal Periodic Review:**

**Implementation of Recommendations Regarding Equality and Non-Discrimination, Police Violence and Extra-Judicial Killings, Emergency Regulations and Countering--Terrorism Law,**

This submission addresses three main human rights issues that are of imminent concern in Israel:

- *Land and adequate housing for the Palestinian citizens in Israel, including the Bedouins in the Negev;*
- *Extrajudicial killings and Police violence against Palestinian citizens of Israel;*
- *The Counter-Terrorism Law and Emergency Regulations, and the silencing of political dissent by outlawing non-governmental organizations.*
