Salinlahi Alliance for Children's Concerns, Inc. (SALINLAHI)

SALINLAHI is a nonstock, nonprofit national alliance which aims to unite & strengthen the network of various initiatives in response to the needs & the situation of the Filipino child as well as promoting their rights both national and international.

Salinlahi Alliance was established in April 28, 2008. We take our roots from the Salinlahi Foundation, Inc. established on June 14, 1968 born out of the "National Conference of the Filipino Child today: In Crisis" on January 26, 1986, from its main resolution in forming an alliance for children's concerns.

Today, Salinlahi Alliance spearheads the progressive and nationalist alliance of children focused organizations and programs for child rights and children empowerment for genuine and social transformation.
