

ADVANCE QUESTIONS TO ALBANIA (THIRD BATCH)

SPAIN

- We are concerned about the elimination of the Social Welfare and Youth ministerial portfolio and would like to know which institution would be then responsible for the implementation of the National Action Plan for LGBTI 2016-2020.
- Spain welcomes the reopening of the judicial proceedings regarding the death of four demonstrators in 2011 as a first step in the fight against impunity. Are there any other measures or plans to increase accountability by the security and police forces?
- According to the Albanian National Institute of Statistics, a high percentage of children with disabilities have no access to education. What are the Albanian authorities doing to ensure that children and young people with special education needs are included?
