

**Bringing States and Civil Society together before
the 36th Working Group**

31 March- 3 April 2020

Palais des Nations
United Nations Office in Geneva(ONUG)
Geneva, Switzerland

UPR Info is organising UPR Pre-sessions in view of the 36th Working Group Session of the UPR (May 2020) from **31 March to 3 April 2020** at the Palais des Nations, Geneva.

OBJECTIVES

The purpose of the Pre-sessions is to **offer Civil Society Organisations (CSOs) and National Human Rights Institutions (NHRIs) an opportunity to brief permanent delegations** on the human rights situation in the States under Review (SuR). They provide space for civil society **to engage directly in a dialogue with States prior to the review**. Through advocacy, their concerns and recommendations are taken into consideration by several delegations at once.

FORMAT

Pre-sessions are organised one month prior to the UPR Working Group session bringing together Permanent Missions, CSOs, and NHRIs to discuss the human rights situation in the forthcoming States under Review. The Pre-session for each SuR **lasts one hour**. CSOs and NHRIs are given the floor **between 5 to 7 minutes each**, to present their assessment of the human rights situation in the country since the previous review and the progress accomplished by the SuR in implementing the recommendations. With the principles of **transparency and universality** in mind, all Permanent Missions are invited, including the State under Review.

The following Pre-sessions will be organized: [Andorra](#); [Belarus](#); [Bulgaria](#); [Croatia](#); [Honduras](#); [Jamaica](#); [Liberia](#); [Libya](#); [Malawi](#); [Maldives](#); [Marshall Islands](#); [Mongolia](#); [Panama](#); [United States](#).

For a comprehensive overview of the event and its format, potential applicants are invited to consult [UPR Info Pre-sessions: Empowering human rights voices from the ground](#).

EXPECTED OUTCOMES

The Pre-sessions will offer an exchange of information on the human rights situation of the forthcoming SuR. States will receive **up-to-date information, precise questions, and recommendations in advance of the 36th UPR session**. The information given will reflect the reality of the human rights situation in the country under review and will represent the concerns of all stakeholders on the ground.

WHAT TO EXPECT

UPR Info has received extensive positive feedback from participants highlighting the importance of the UPR Pre-Sessions as a **forum for collaboration and information sharing**. The Pre-sessions filled the expressed need from both State delegations and CSOs to meet prior to the UPR Working Group Session to identify, discuss, and further develop recommendations to ensure focused attention to the most relevant human rights issues during the review.

WHO IS UPR INFO?

UPR Info is a non-profit, non-governmental organisation (NGO) based in Geneva, Switzerland. The organisation aims at both raising awareness and providing capacity-building tools to the different actors of the UPR process, such as United Nations (UN) Member States, CSOs, and National Human Rights Institutions. *UPR Info* is the first NGO entirely dedicated to the UPR.

Since the inception of the UPR mechanism in April 2008, the organisation has developed a unique expertise on the process itself. This knowledge is widely recognised by several actors, and notably by the Office of the High Commissioner for Human Rights (OHCHR). *UPR Info* is regularly invited to participate in numerous conferences and trainings on the UPR and manages several programmes in order to strengthen the UPR mechanism.

The website www.upr-info.org is the first source of information on the UPR for various stakeholders, including most of the Geneva-based missions to the UN as well as national and international CSOs, providing them with useful tools for their participation.

Created in February 2008, *UPR Info*'s current President is Mr. Miloon Kothari, former UN Special Rapporteur on adequate housing.
